

STAINLESS STEEL PLANAR SYSTEM

Side-mounted standoff glass fixings

Minimalist glass balustrade side mounted on planar fixings.

The Metforce Planar system uses side-mounted stainless steel standoff fixings to hold glass panels, creating a clean, minimalist glass balustrade with visible point fixings as a design feature.

- Modular – fast, repeatable install
- 12mm toughened up to 21.52mm laminate
- Top or side mounted Round or Rectangle handrail
- Usually Chemset
- Rated to C3-C5
